

Initial Memorandum of Understanding

Memorandum of understanding is hereby made and entered by:

**English Language Teachers' Association of India (ELTAI) and
Global Educators Network – Teaching English as a Foreign Language (GEN TEFL)**

Purpose:

To work together in a cooperative manner on issues regarding the development and enhancement of English Language Teaching.

Statement of Mutual Benefits and Interests:

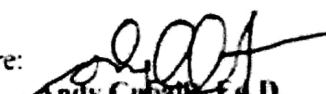

Both ELTAI and GEN TEFL aim to support ELL and provide professional development opportunities to their respective staff/members and to the larger English Language Teaching communities. To this end the two organizations intend to cooperate in the following ways:

- A. Non- financial support for events sponsored by either organization. Other forms of support can be discussed and mutually agreed upon.
- B. Exchange of speakers – provide one presentation slot for the partner organization as a speaker at their main conference. Fees for the registration shall be waived.
- C. International conference recognition – each organization will provide a banner logo for the partner organization for display at the opening ceremony of their annual international conference. The president/director or the representative will be formally acknowledged during the opening ceremony and introduced as a partner institution/organization.
- D. Exchange of information about the activities of both the associations and journals (print and online)
- E. Promote each other's conferences and events to their website or other media where applicable.
- F. To further explore areas of mutual interest and to cross-promote each other's organization/institution as agreed upon.

This initial MOU will remain in effect from 1 October 2018 until 30 September 2019.

The parties duly execute this memorandum of understanding by their duly authorized officials:
