**Monsoon:** English for Everyone is designed to make English learning and teaching simple yet comprehensive for classes 1-8. It comprises a healthy mix of international and Indian literature. The series reflects the vibrant diversity of cultures and perspectives in India through a focus on texts from different regions of the country, written in or translated to English.

#### **Features-**

**Listen | Read | In-text Questions | Glossary | Appreciations | Levels- Appropriate Vocabulary | Grammar | Talk | Write**

#### **Also Includes:**

**Stagecraft** familiarises learners with the essential elements of theatre while at the same time enhancing their creativity, confidence and communication.

**Enrichment Activities** are enjoyable and varied activities meant to help learners explore their interests, and cover four distinct aspects—social skills, active citizens, creative writing and language games.

**Yes, I Can** are concise, detachable slips that promote self-reflection and encourage independent thinking in learners. They are meant to help the learners gauge their own learnings and the teachers to implement customised guidance.

**Language Game Pullouts** with colourful and bright games that provide an opportunity to have fun with the application of concepts learnt.

#### **Course components -**

- Coursebook
- Workbook
- Teacher Book

#### **Digital components –**

**Cambridge Learn**, a new digital solution for classrooms which integrates an enhanced and powerful eBook reader with interactive teaching aids, rich audio-visual resources, lesson planner and Test Maker.

Experience Better Learning with –

- ✓ High-quality digital learning content for learner engagement: animations, audio, slide shows and interactive units
- ✓ Tools to enable creation and delivery of customised lesson plans
- ✓ Test Maker with question bank, answers and solution sets, to aid quick preparation of tests and worksheets

**Cambridge University Press** is a part of the University of Cambridge, one of the world's leading universities trusted for excellence in education. As a world-leading education publisher, Cambridge provides educational materials, resources and services to teachers and learners, from ages 3-19, in over 160 countries.

Brighter Thinking drives our approach. Every day we talk to teachers and leading educational thinkers in Cambridge and around the world about how to make teaching and learning better. We share teachers' ambitions to prepare students for success in life, both academically and personally. This rich insight and our common goal inform the development of every new educational resource we publish. It makes Better Learning possible, enabling students to accelerate their learning and develop skills for life. Our engaging digital and print solutions are used by teachers and students of all curriculums – CAIE, IB, CISCE and CBSE.
